## IDEAS TO PROMOTE YOUR PROGRAM

1

### **Incorporate the discounted exam fee into your tuition**

Build the cost savings directly into your program pricing, making NPCP certification a seamless part of the student journey.

2

### **Promote the discount to prospective students**

Use the voucher discount as a recruiting advantage. Highlight reduced certification costs when marketing your Pilates teacher training program.

3

### **Differentiate your program by offering a discount on NPCP exams**

Set your program apart in the profession. Aligning with an NCCA-accredited credentialing organization signals quality and commitment to a safer, more credible Pilates profession.

*\*Study material bundles are available in countries where Amazon operates a marketplace. However, availability of discounted pricing may vary by region and is subject to confirmation.*
